

Rapid Diagnostic Testing

As a Health Mart member benefit, get access to a rapid diagnostic testing and PPE formulary with competitive pricing through McKesson Medical-Surgical.

Cost

No cost to enroll or obligation to purchase

Who should enroll

Any Health Mart® pharmacy* interested in expanding their testing business

* If you already have a McKesson SupplyManagerSM account, you will still need to enroll to access the formulary.

Key benefits

Once enrolled, get access to:

- Acute care tests: COVID-19, flu, RSV, strep
- Chronic care tests: Glucose, hemoglobin A1c, cholesterol, hepatitis C, HIV and anticoagulation
- Ancillary supplies/PPE: Ear loop masks, face shields and safety glasses
- Product expertise and support

Where to enroll

[myHealthMart](#) > [Clinical](#) > [Pharmacy Testing Solutions](#) > [Rapid Diagnostic Testing](#)

How can I access the rapid diagnostic testing and PPE formulary?

1. Complete the enrollment form in **myHealthMart > Clinical > Pharmacy Testing Solutions > Rapid Diagnostic Testing** to request access.
2. You will be contacted by McKesson Medical-Surgical to verify your application.
3. If approved, they will complete your McKesson Supply-Manager account setup and send you your user ID and password via email. You must respond within two days.
4. A McKesson Medical-Surgical Account Rep will be assigned to you and be your main point of contact for the formulary moving forward. They will provide final on-boarding and will activate the formulary in your McKesson SupplyManager account. You can also access the link to McKesson SupplyManager in myHealthMart on the Pharmacy Testing Solutions page.
5. Visit mms.mckesson.com to log in to McKesson Supply-Manager to access the rapid diagnostic testing and PPE formulary of products.

Do all the rapid diagnostic tests included in the formulary require a CLIA Certificate of Waiver?

Yes. Once your account is set up, contact your McKesson Medical-Surgical Account Rep for questions regarding product specifications and pricing.

What if I don't have a CLIA Certificate of Waiver?

You can review the formulary and choose from a variety of testing products prior to adding product names to your CLIA application. As a reminder, **myHealthMart > Clinical > Pharmacy Testing Solutions** gives you access to resources to help you roll out a testing business. Access the CLIA application form, easy-to-follow steps on how to complete the application, state agency contacts, available testing products, and more — all in one central location. If you need help finding where to go for what resource, you can watch the walkthrough video on the Pharmacy Testing Solutions page.

What if I already have a McKesson SupplyManager account?

To access the rapid diagnostic testing and PPE formulary, you will still need to complete the enrollment form in myHealthMart. Once you complete the enrollment form, McKesson Medical-Surgical will contact you with next steps.

I'm already a McKesson Pharmaceutical customer. What is McKesson Medical-Surgical?

While McKesson Pharmaceutical focuses on branded, generic and over-the-counter pharmaceutical items, McKesson Medical-Surgical focuses on medical supplies, lab equipment, and ambulatory and post-acute care medical supplies.

- **Gain access to 300,000+ products:** PPE, diagnostic equipment, diabetic supplies, incontinence products, surgical instruments, point-of-care lab testing, advanced wound care and pharmaceuticals
- **Robust ordering and inventory tools:** Track expenses by location or facility, enter purchase orders, approve invoices, access real-time healthcare product information and availability, and more
- **Flexible delivery:** Nationwide distribution network offering same-, next- and two-day shipping so you can get the products you need, when you need them

What is McKesson SupplyManager?

Similar to McKesson Connect,[™] McKesson SupplyManager is McKesson Medical-Surgical's industry-leading web-based order management system. McKesson SupplyManager lets you place orders online, view real-time pricing and availability, view order status, and run reports to analyze purchasing trends. Items ordered via McKesson SupplyManager will be billed and shipped through McKesson Medical-Surgical directly to your pharmacy.
